**Provide a short summary of the types of services your company provides (100 words or less):**

HighMark School Development is the premier end-to-end facilities solutions provider for new and existing charter schools. HighMark was founded to assist parent boards and other grass-roots organizations to develop, organize and launch world-class charter schools. We specialize in financing and constructing state-of-the-art charter school facilities.

**Briefly describe your experience with charter schools, including a list of any charter schools in Utah you have provided services for:**

As supporters of choice in public education, members of our staff have founded, developed and managed the operations of charter schools in their own communities. Consequently, we are able to provide a level of service and experience that no other developer can provide as part of our offering. In addition to merely constructing a facility, our experience and offering includes: school launch programs, best practices for successful charter schools, marketing & branding, registration, enrollment, student information systems & lottery systems, school design, construction financing, and land development.
